- it is recommended that markings are used to define this area
- the number of persons permitted to occupy the technical area is defined by the competition rules
- the occupants of the technical area are identified before the beginning of the match in accordance with the competition rules
- only one person at a time is authorised to convey tactical instructions and he must return to his position after giving these instructions
- the coach and other officials must remain within its confines except in special circumstances, for example, a physiotherapist or doctor entering the field of play, with the referee's permission, to assess an injured player
- the coach and other occupants of the technical area must behave in a responsible manner
