Expenses
A 45p per mile rate is payable for travel expenses where a car is used. This payment is to be made to the driver of the car only – no expenses will be paid in respect of any fellow official travelling as a passenger.

Claims should be based on the point of departure for the match appointment i.e. home or work place as applicable – to the end point of the journey.

For match officials who travel by either train or bus, the standard fare as incurred will be reimbursed (for whole or part of journey, as applicable) on the submission of a receipt.

Match officials who travel independently to an agreed meeting point and then travel with another official by car to the match are entitled to submit a claim for such separate parts of their journey (to and from the match) as applicable.

Ground Inspectors Fee: £30.00
Should the match referee act as ground inspector, he/she shall be paid the inspection fee provided his inspection is made not less than 4 hours before the time of kick-off.

Postponed Matches
Should a match official not be notified of the postponement of a match before travelling, he/she shall be entitled to claim one half of the fee appropriate to the match, plus expenses, actually incurred, in accordance with the above tariff.

Hotel Allowance
A maximum hotel allowance of £75 is payable, when requests for overnight stays are sanctioned. A receipt requires to be submitted.

Match officials are not entitled to a payment for lost time when officiating at Cup ties.
