# BEFORE YOU BUY

## EMAIL

Check that your profile has the most up-to-date email address so that both the weekly supporter newsletters and ticket email confirmations are sent to the correct address.

Check that you have opted in to receiving emails from the Scottish FA. You can find the tick box through your My Account page at the Change Details Tab- without this you may not receive your E-Tickets.

Make sure the [supporters@scottishfa.co.uk](mailto:supporters@scottishfa.co.uk) email address is added to your list of contacts, so emails go to your inbox.

## PASSWORD

Check that you have the correct password so you can log in to your account. You can get a password reset link sent if you forget.

## FRIENDS & FAMILY

Check that you have updated all your friends and family to your account if you are the lead booker for tickets.

# BUYING GUIDE

## 1 | LOG-IN

[SSC Member Log-in](#)

You can use your Supporter number or your email.

Note: If you use one email for multiple supporters you will not be able to log in. Instead use your supporter number.

## 2 | SELECT MATCH

Once you have your 23/24 membership in your basket or already purchased, you can select the match from the Home Games tab at the top of the page.

Click on the Home Games tab to view the list of available matches.

Use the list to find which match(es)/package you want to purchase.

Click on the Select Seat to continue.

- A Home Match Package will allow you to purchase the same seat for each home match available.

## 3 | SEAT SELECTION

From the Stadium Plan, you can choose an individual Section of the Stadium and from there you can choose a specific seat(s).

You can use the Ticket Filter to select certain Stands within the Stadium.

Alternatively, you can use the Select Best Available Seats function on the right to choose the seats in a certain area (If using a mobile this will be the first screen you see).

If using a mobile turn phone landscape to access stadium plan after log in.

# E-TICKET

## EMAIL CONFIRMATION

The Lead Booker will receive an email confirmation from [supporters@scottishfa.co.uk](mailto:supporters@scottishfa.co.uk) with each E-Ticket attached per match per member.

You will see in the body of the email the following information:

- Supporter Name
- SSC Number
- Match, Kick-off Time & Date
- Ticket Details

Please check your Junk/Spam folder as sometimes the email can go into there depending on your email provider.

If your email has been sent to your Spam, you can drag the email into your Inbox so that future emails will go straight to your Primary Inbox.

It is recommended that you save your email to keep a record of your transaction.

Should you have any queries about your order please email [supporters@scottishfa.co.uk](mailto:supporters@scottishfa.co.uk) with your Full Name, SSC number and Payment Reference within the email.

## E-TICKET DISTRIBUTION

The best way to distribute the E-Tickets is to send them via email or text to your Friends/Family member. Simply click on the PDF to check whose name is on the ticket and send.

Please ensure you are sending the full PDF to the supporter and not a partial image. Also, make sure the name matches the member you are sending the ticket to.

Each PDF has the payment reference number and the match code on each, with the following codes:

- Scotland v Cyprus | A23CYP
- Scotland v Spain | B23SPA
- Scotland v Georgia | C23GEO
- Scotland v England | D23ENG
- Scotland v Norway | E23NOR

This will allow you to identify which match relates to which E-Ticket and share accordingly.

Once you have the ticket for the relevant match you can either print the ticket off, or keep it saved on your mobile phone.

If you cannot find your email, you can log in to your account and resend via your purchase history tab.

Please note if you have booked on behalf of other members you will need to send them the newest ticket as the QR code renews when you resend the tickets. This can only be done by the Lead Booker.

## SCANNING YOUR TICKET

You can scan the E-Ticket directly from your phone. Simply open the PDF before getting to the Turnstile and follow the instructions to place the QR code into the scanner. Please ensure you have sufficient battery, and the brightness is turned up.

OR

If using this option, make sure you are printing the PDF full size and not distorting the image. Follow the instructions for folding before coming to the Turnstile.

## E-TICKET ON MOBILE

Please do not attempt to open your emails when in the vicinity of the stadium. As with a full capacity stadium your signal may be limited, and you may not be able to open your email. Please ensure you follow the steps below:

### Prior to the Match

From your email confirmation that has your E-Ticket attachments, select the PDF of the match you are attending and open it up.

From your mobile device, find your download button and click download

When choose a source to save it to, it is recommended that you save it to your files folder.

### Matchday

Please ensure you have sufficient charge in your phone prior to coming to the match.

As you approach the stadium campus, open the files folder on your mobile device and find the relevant match E-ticket.

Place your phone into the scanner and enter through the turnstile.

## E-TICKET PRINTED

One option of using your E-Ticket is to print it off on your own printer. This will need to be done prior to the match.

Simply open the PDF up from your email.

Go to file on the top left-hand side of your PDF read and scroll down to print.

You can only print these tickets off on an A4 size of paper, please do not attempt to change the paper size, as it will not work in the scanner.

You can choose either to print in colour or black & white.

Once you have printed the ticket, fold along the middle line indicated on the E-ticket, then fold the smaller side.

On matchday simply present your folded E-ticket into the scanner and pass through the turnstile.
