

The National Lottery Football Weekends - Scottish FA T&C's

1. These Terms and Conditions apply to the Scottish Football Association National Lottery Football Weekends offer where National Lottery players will, subject to these Terms and Conditions, receive one free match ticket to a selected football match when one full price adult match ticket to the same match is purchased.
2. This offer is open to every paying adult (being a person aged 18 or over) who presents a valid legible National Lottery ticket upon purchase of a full price match ticket to a game (as set out in these Terms and Conditions). If a person satisfies the conditions in this clause 2, they will be able to bring one guest (adult, child or concession) to the match they have purchased a full price ticket for with them for free (the "Offer").
3. The Offer applies to selected games in the Highland League, Lowland League, South of Scotland League, West of Scotland Premier Division and East of Scotland Premier Division on the following noted in Appendix A
4. As at the date of these Terms and Conditions, there will be the following numbers of free tickets available at the agreed home game of each participating club;
 - 125 tickets for Highland League clubs,
 - 100 tickets for Lowland League clubs,
 - 40 tickets for South of Scotland League clubs,
 - 125 tickets for West of Scotland Premier Division clubs; and
 - 90 tickets for East of Scotland Premier Division clubs
5. Tickets will be limited and are subject to availability and will be sold on a first come first served basis.
6. Each person will be able to buy up to two full price adult tickets to one match of a participating club and will therefore be able to bring up to two guests (adult, child or concession) for free.
7. All National Lottery products qualify, whether a National Lottery draw-based game e.g Lotto, EuroMillions or Set For Life, or a scratchcard or online instant win game, whether purchased in store, on The National Lottery website, or via The National Lottery app.
8. A valid National Lottery product must be shown when purchasing the full price match ticket in order to redeem the Offer. It can be shown in physical form or, for online draw-based games or instant win games, in digital form e.g. proof of purchase via your National Lottery account on your mobile phone. Photos of, or copies of, National Lottery products will not be accepted.
9. Subject to the requirements set out in clause 2, The National Lottery product used to redeem the Offer can be from any date. There are no time restrictions on how old the National Lottery product is so long as the person presenting the product is 18+.

10. The Offer applies to season ticket holders and non season ticket holders of each club, in that they can bring another along for free if they are in possession of a National Lottery product.
11. The Offer is available on accessible tickets too, whether these tickets are paid for or redeemed for free as part of the Offer.
12. Attendees are subject to any terms and conditions and health and safety requirements of each club. Please see individual club procedures and/or policies for conditions of entry.
13. All matches are subject to the COVID protocols in place at each individual club on the day of the match.
