PARKING RESTRICTIONS

Persons attending events at Hampden Park should be aware that the area immediately surrounding the stadium is mainly residential and the availability of on-street parking is extremely limited due to event specific parking restrictions.

On event days we would advise persons attending Hampden Park where possible to use public transport to get to and from the stadium, if not travelling by organised coach/bus.

Parking Wardens will be on duty patrolling the restricted areas.

Please remember that the area around Hampden Park is a residential area. Please respect our neighbours when travelling to and from the game
